- For removing stains for most type of mesh.
- Use with Stain Remover 6070-001 helps remove of ghost images and other stains caused by screen printing inks.
- Convenient to use.
- Enhanced performance when used with Stain Remover.

Physical Data:

Colour: Cream
Consistency: Paste
Shelf Life: 1 year at 20°C, 68°F

INSTRUCTIONS FOR USE

1. Apply Stain Remover (1 part) to the screen with a rag and add Ghost/Haze Remover (1 part) to both sides of the mesh using a brush.
2. Mix the two products in circular motion, working the mixture into the screen.
3. Allow the screen to stand for 15 minutes.
4. Long periods can damage polyester mesh.
5. Rinse off thoroughly with water before using a high-pressure water gun and allow the screen to dry.

Handling and Storage

- It is recommended to wear suitable protective goggles and gloves. Take particular care to avoid splashes into the eyes and skin contact. If this does occur, rinse immediately with plenty of water. In case of splashes into the eyes, seek medical advice. Wear suitable protective clothing, gloves and eye/face protection.
- Comprehensive information on the safety and handling of Ghost/Haze Remover 6070-100 is given in the appropriate Smiley Material Safety Data Sheet (MSDS), which are available upon request.
- Ghost/Haze Remover should be stored in a cool dry area away from heat, light and organic matters (food drinks, etc.). Containers should be tightly closed immediately after use.
